

Strip Designer

1. Click on **CREATE** in the upper left hand corner.
2. Choose a category and a template.

3. Tap on **ADD PHOTO**. You can rotate it, slide it, change the size and draw on it.

4. You can also tap on **DRAWING** and draw your own picture.

5. To add text, click on the plus sign, the balloon and then the text box.
6. To add a Speech bubble, click on **ADD** and select the type that you want. Use the green dots to make the balloon larger, the yellow arrows to rotate it and the x to delete it.

7. To add a page, tap on **PAGE** and then the + sign.
